

COURSE DATASHEET

| | |
|--------------------------------|------------------------------------|
| Semester: | 2012/13/1 |
| Course: | Testing of Structural Materials |
| Code: | VEMKSIM510S |
| Responsible department: | Institute of Materials Engineering |
| Department code: | MKSI |
| Responsible instructor: | dr. Gábor Szalontai |

Course objectives:

Course content:

Requirements, evaluation and grading:

Required and recommended readings:

A választott vizsgálati módszer(ek) szerint.
